DIRECTORS' REVIEW REPORT TO THE SHAREHOLDERS

On behalf of the Board of Directors, we feel pleasure in presenting the unaudited condensed interim financial information of the Company for the 3rd quarter & Nine months period ended 31st March, 2020.

FINANCIAL HIGHLIGHTS

During the period under report your Company has posted the following results:

	Quarter ended		Nine months Period ended	
	Mar. 31, 2020	Mar. 31, 2019	Mar. 31, 2020	Mar. 31, 2019
	----- Rs. in thousand -----			
Sales	1,067,340	798,427	2,457,423	2,488,050
Gross profit	101,271	80,341	234,555	192,715
Profit from operations	79,971	50,384	165,797	96,344
Profit before taxation	54,727	27,324	52,503	27,987
Profit after taxation	32,703	5,466	10,776	12,411
	----- Rupees -----			
Earnings per share	6.83	1.14	2.25	2.59

During the nine months period ended 31 March, 2020, the net turnover of the Company has decreased by Rs.30.627 million as compared to nine months period ended 31 March, 2019. This is due to withdrawal of zero-rating regime for five export-oriented sectors including textile industry w.e.f. 01st July, 2019 and levy of 17% sales tax on sales to registered persons and 3% further tax on sales to unregistered persons. The sales tax on the sales for the nine months period ended 31 March, 2020 amounts to Rs.479.791 million whereas in preceding period the amount of sales tax was Rs.8.656 million only. This massive payment of sales tax and pending refunds have created liquidity problems for the Company. Further, the Company, in the nine months period under report, has earned a profit before tax of Rs.52.503 million, in comparison with profit before tax of Rs.27.987 million in the comparative period. While the profit after tax for the period under report is Rs.10.776 million in comparison with profit after tax of Rs.12.411 million, in the previous period. The decrease in the profit in the current period is due to share of loss from associated companies (calculated on the basis of intercompany investments) which amount to Rs.22.410 million in comparison with Rs.0.778 million in the previous period

GENERAL MARKET CONDITION

The local yarn markets have been quite stable during the quarter under report i.e. before the announcement of lockdown of the industry and markets due to the pandemic of COVID-19 (Coronavirus). However, on the other hand, the cotton cost has increased mainly due to devaluation of Pak Rupee. The withdrawal of custom duties on imported cotton has supported in reducing cost of production but its effect has been negated by the unstable dollar price. The domestic textile market (both yarn and cloth) for all practical purposes has completely collapsed and there have been NIL sales till date from the start of lockdown, which has made the cash flow crisis even more acute for indirect exporters. There is little hope that the domestic textile market would even recover to 50% of its pre-Covid levels even by the end of the year. The coming quarter is going to prove to be another test of survival for the textile industry. However, your management will strive to achieve better results by using every resource at its disposal.

Janana De Malucho Textile Mills Limited

FUTURE OUTLOOK

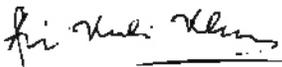

The coronavirus pandemic has hit Pakistan's economy hard like the rest of the world. It is a battle with an invisible enemy. The virus that started in China has now affected almost all the world, and all major economies, including China, the United States, and many European nations, are under complete or partial lockdown. Similarly, Pakistan was also in complete lockdown, however recently the Govt. has eased out the restrictions and has allowed several industries to restart their operations. However, the impact of COVID-19 will be huge on the economy of Pakistan as according to the report of The Asian Development Bank, Pakistan's economic growth would slow down to 1.5 percent during current fiscal year due to ongoing stabilization efforts, slower growth in agriculture and the impact of the COVID-19 outbreak. The Govt. has been taking necessary steps to support the people and industry of the country during the ongoing lockdown which include the Ehsaas Program, which is providing income support to poor families, reduction in the Policy rate by the State Bank of Pakistan (SBP) to 11% from 13.25% in the month of March, which has been further decreased to 9% recently, and announcement of a Refinance Scheme for the industry by SBP to pay their wage bills during these extremely difficult times. These measures that the Govt. has taken in a bid to help people, businesses and combat the growing uncertainty amid the coronavirus pandemic are highly commendable.

However, the ongoing last quarter of the financial year 2020 and the coming fiscal year are going to be financially very difficult for the people and all the industrial sectors of the country and specially Textile, which is the backbone of the Pakistan's local and export market. In order to mitigate the impact of COVID-19 and help the textile sector to stabilize the Govt. needs to take some further necessary steps such as restore the zero-rating regime, reduce the policy rate to 5%, defer the payments of mark-up, electricity & gas bills and release the sales tax refunds at the earliest in order to manage the cashflows, which would help to keep the business cycle in motion. The future outlook for textile markets is extremely bleak where currently, the bulk of the export orders already stand cancelled and where not cancelled the foreign buyers are asking for a long-term extended credit. Western analysts have unequivocally classified textiles as one of the markets that would take years to recover to its pre-Covid turnovers as textiles is not an essential commodity and consumer preferences will necessarily change for the worse on non-essential consumer goods, once the markets reopen. Therefore, the aforementioned measures are necessary to tackle and mitigate the affect of COVID-19 pandemic and help the workforce, manufacturing units and markets alike.

ACKNOWLEDGMENT

The Board places on record its appreciation for the support of its bankers who have constantly facilitated the Company in financially difficult times. The hard work and diligence of the Company's senior management and the production workers is also commendable. We look forward to same dedication and cooperation from them in the future as well.

On behalf of the Board of Directors

Lt. Gen. (Retd.) Ali Kuli Khan Khattak
Chief Executive Officer

ڈائریکٹرز رپورٹ برائے حصص یافتگان

بورڈ آف ڈائریکٹرز کی جانب سے، 31 مارچ 2020 نو ماہ اور تیسری سہ ماہی کی ختم ہونے والی مدت پر کمپنی کی غیر آڈٹ شدہ مالیاتی رپورٹ پیش کرنے میں خوشی محسوس کرتے ہیں۔
کارکردگی کا جائزہ۔

ہم آپ کو بتاتے ہوئے خوشی محسوس کرتے ہیں کہ آپ کی کمپنی کی مالیاتی نتائج کے اہم جھلکیاں مندرجہ ذیل ہیں۔

نو ماہی		سہ ماہی		
31 مارچ 2019	31 مارچ 2020	31 مارچ 2019	31 مارچ 2020	
----- روپے ہزاروں میں -----				
2,488,050	2,457,423	798,427	1,067,340	فروخت
192,715	234,555	80,341	101,271	عبوری منافع
96,344	165,797	50,384	79,971	اپریشن کے بعد منافع
27,987	52,503	27,324	54,727	ٹیکس سے پہلے منافع
12,411	10,776	5,466	32,703	ٹیکس سے بعد منافع
----- روپے -----				
2.59	2.25	1.14	6.83	آمدنی فی شیئر

31 مارچ، 2020 کو ختم ہونے والے نو ماہ کے عرصہ کے دوران، کمپنی کے خالص کاروبار میں 31 مارچ، 2019 کو ختم ہونے والے نو ماہ کے عرصے کے مقابلے میں 30.627 ملین روپے کی کمی واقع ہوئی ہے۔ جس کی بنیادی وجہ 01 جولائی 2019 سے پانچ برآمدی شعبوں پر صفر فیصد ٹیکس کے خاتمے کے بعد رجسٹرڈ افراد کو فروخت پر 17% سیلز ٹیکس اور غیر رجسٹرڈ افراد کو فروخت پر 3% مزید ٹیکس عائد ہونا۔ اس کی وجہ سے نو ماہ جو 31 مارچ، 2020 کو ختم ہوئے کے عرصہ میں فروخت پر کمپنی نے سیلز ٹیکس 479.791 ملین روپے ادا کیا ہے جبکہ پچھلے دور میں سیلز ٹیکس کی رقم صرف 8.656 ملین روپے تھی۔ سیلز ٹیکس کی اس وسیع پیمانے پر ادائیگی اور ریلتواء ریفرنڈوم کی واپسی نے کمپنی کو لیکویڈیٹی کی مسائل پیدا کر دیئے ہیں۔ مزید یہ کہ کمپنی نے، رپورٹ کے تحت نو ماہ کے عرصے میں، تقابلی مدت میں 27.987 ملین روپے ٹیکس سے پہلے منافع کے مقابلے میں، 52.503 ملین روپے ٹیکس سے پہلے منافع حاصل کیا ہے۔ جبکہ رپورٹ کے تحت ٹیکس کے بعد منافع 10.776 ملین روپے ہے جبکہ اس سے پہلے کے دورانیے میں 12.411 ملین روپے کے ٹیکس کے بعد منافع تھا۔ موجودہ مدت میں منافع میں کمی کی تعلق اس سے منسلک کمپنیوں کے حصص میں ہونے والے نقصان کی وجہ سے ہوا ہے (انٹر کمپنی سرمایہ کاری کی بنیاد پر حساب کیا جاتا ہے) جو گذشتہ ادوار میں 0.778 ملین روپے کے مقابلے میں 22.410 ملین روپے بنتا ہے۔

عمومی مارکیٹ کی حالت

رپورٹ کے تحت سہ ماہی کے دوران مقامی سوت بازار کو روہتاری کی وجہ سے بند ہونے سے پہلے کافی مستحکم رہا ہے۔ تاہم، دوسری طرف، روہتی کی قیمت میں بنیادی طور پر پاک روپے کی قدر میں کمی کی وجہ سے اضافہ ہوا ہے۔ درآئندہ روہتی پر کسٹم ڈیوٹی کے اخلائے پیداوار کی لاگت کو کم کرنے میں معاون ثابت ہوا ہے لیکن ڈالر کے غیر مستحکم قیمت کی وجہ سے اس اثر کو نفی کر دیا۔ مقامی ٹیکسٹائل مارکیٹ (سوت اور کپڑا دونوں کی) تمام عملی مقاصد کے لئے مکمل طور پر تنہو چکی ہے اور لاک ڈاؤن کے آغاز سے ہی آج تک کسی بھی قسم کی فروخت نہیں ہوئی ہے، جس سے بالواسطہ برآمد کنندگان کے لئے نقد رقم کے بہاؤ کا بحران اور بھی سنگین ہو گیا ہے۔ اس وقت بہت کم امید ہے کہ گھریلو ٹیکسٹائل مارکیٹ اس سال کے اختتام پر کو روہتاری کی وجہ سے پہلے کی سطح کا 50 فیصد تک پہنچ جائے گی۔ آنے والی سہ ماہی ٹیکسٹائل کی صنعت کے لئے بھلا کا ایک اور امتحان ثابت ہونے جا رہی ہے۔ تاہم، آپ کی انتظامیہ ہر وسائل کو اپنے اختیار میں لے کر بہتر نتائج حاصل کرنے کی کوشش کرے گی۔

مستقبل کا نقطہ نظر

کو روہتاری کے آنے کی وجہ سے پاکستانی معیشت دیگر دنیا کے مقابلے میں بہت متاثر ہوئی ہے۔ یہ ایک پوشیدہ دشمن کے ساتھ لڑائی ہے۔ جینن سے شروع ہونے والی یہ بیماری اب پوری دنیا کو اپنی لپیٹ میں لے چکی ہے اور تمام بڑی معیشتیں، بشمول چین، ریاست ہائے متحدہ امریکہ، اور بہت سے یورپی ممالک، مکمل یا جزوی طور پر لاک ڈاؤن کے تحت ہیں۔ اسی طرح، پاکستان بھی مکمل طور پر لاک ڈاؤن میں تھا، حال ہی میں حکومت نے ان بائند یوں کو ختم کیا ہے اور متعدد صنعتوں کو اپنے کام دوبارہ شروع کرنے کی اجازت دی ہے۔ تاہم کوویڈ 19 کا اثر پاکستان کی معیشت پر بہت زیادہ پڑے گا جیسا کہ ایشین ڈویلپمنٹ بینک کی رپورٹ کے مطابق، استحکام کی جاری کوششوں، زراعت میں سست رفتار اور کوویڈ 19 کے دہائے کے اثرات کی وجہ سے رواں مالی سال کے دوران پاکستان کی معاشی نمو 1.5 فیصد تک کم ہو جائے گی۔ حکومت جاری لاک ڈاؤن کے دوران ملک کے عوام اور صنعت کو سپورٹ کرنے کے لئے ضروری اقدامات کر رہی ہے جس میں احساس پروگرام شامل ہے، جو غریب خاندانوں کو آمدنی میں مدد فراہم کر رہا ہے، اسٹیٹ بینک آف پاکستان (ایس بی پی) نے پالیسی شرح میں 11 فیصد تک کمی کی ہے جو مارچ کے مہینے میں 13.25% تھا، اب حال ہی میں کم ہو کر 9% رہ گیا ہے، اور اس انتہائی مشکل وقت کے دوران اسٹیٹ بینک کے ذریعہ انٹرنسٹی کے لئے ان کے مزدوروں کی اجرت کے بل ادا کرنے کے لئے ری فنانس اسکیم کا اعلان کیا گیا ہے۔ کو روہتاری کی وجہ سے حکومت نے لوگوں، کاروباری اداروں اور بڑھتی ہوئی غیر یقینی صورتحال کا مقابلہ کرنے کے لیے جو اقدامات لیے ہیں وہ قابل تعریف ہیں۔

Janana De Malucho Textile Mills Limited

تاہم، مالیاتی سال 2020 کی جاری آخری سہ ماہی اور آنے والا مالی سال عوام اور ملک کے تمام صنعتی شعبوں اور خاص طور پر ٹیکسٹائل کے لئے مالی طور پر بہت مشکل ثابت ہوگا، جو پاکستان کی مقامی اور برآمدی مارکیٹ کی ریڑھ کی ہڈی ہے۔ کوویڈ 19 کے اثرات کو کم کرنے اور ٹیکسٹائل سیکٹر کو بحال کرنے کے لیے حکومت کو ٹیکسٹائل انڈسٹری کے اور بھی مثبت اقدامات لینے چاہیں جیسا کہ دوبارہ صفر فیصدی سیلز ٹیکس کا نفاذ، پالیسی شرح کو 5 فیصد تک کم کرنا، مارک اپ، بجلی اور گیس کے بلوں کی ادائیگی کو موخر کرنے جیسے کچھ مزید ضروری اقدامات کرنے کی ضرورت ہے تاکہ نظم و نسق کو منظم کیا جاسکے۔ اس سے رقم کے نقد بہاؤ میں بہتری آئے گی، جس سے کاروباری سرگرمیوں کو حرکت میں رکھنے میں مدد ملے گی۔ ٹیکسٹائل مارکیٹوں کے لئے مستقبل انتہائی تاریک ہے جہاں نئی الحال برآمدی آرڈر کا زیادہ تر حصہ پہلے ہی منسوخ ہے اور جہاں غیر ملکی خریدار طویل مدتی توسیع والے کریڈٹ کے لئے کہہ رہے ہیں۔ مغربی تجربہ کاروں نے ٹیکسٹائل کی غیر منطقی طور پر درجہ بندی کی ہے جو کوویڈ 19 سے پہلے کاروبار میں آنے کے لیے سالوں درکار ہوں گے کیونکہ اب ٹیکسٹائل ایک ضروری چیز نہیں ہے اور ایک بار جب مارکیٹیں دوبارہ کھل گئیں تو صارفین کی ترجیحات غیر ضروری اشیاء سے ہٹ جائیں گی۔ لہذا، مذکورہ بالا اقدامات کوویڈ 19 وبائی بیماری سے نمٹنے اور اسے کم کرنے اور افرادی قوت، مینوفیکچرنگ یونٹوں اور بازاروں میں یکساں مدد کرنے کے لئے ضروری ہیں۔

اعتراف

بورڈ آف ڈائریکٹرز کمپنی کے بینکاروں کی قدر کرتا ہے جو کہ مسلسل کمپنی کی مالی مشکلات میں بروقت مدد کرتے ہیں۔ اسکے علاوہ کمپنی کی انتظامیہ اور کارکنوں کی محنت کو بے مثال مشکل حالات میں بہتر نتائج حاصل کرنے پر شاباش دیتا ہے۔ اور امید کرتا ہے کہ مستقبل میں تمام کارکنان اسی لگن اور محنت سے کام کرتے رہیں گے۔

Janana De Malucho Textile Mills Limited

Notes to the Condensed Interim Financial Statements (Un-audited) For the Nine Months Period Ended March 31, 2020

1. Legal Status and Operations

Janana De Malucho Textile Mills Ltd. (the Company) was incorporated in Pakistan as a Public Company in the year 1960 under the Companies Act, 1913 (now the Companies Act, 2017) and its shares are quoted on Pakistan Stock Exchange Ltd. The Company is principally engaged in manufacture and sale of yarn. The Company's mills and its registered office are located at Habibabad, Kohat.

2. Basis of Preparation

These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of:

- International Accounting Standard (IAS) 34, "Interim financial reporting", issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and
- Provisions of and directives issued under the Companies Act, 2017.

Where the provisions of and directives issued under the Companies Act, 2017 differ with the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017 have been followed.

3. Significant Accounting Policies

The accounting policies and methods of computation adopted in the preparation of these condensed interim financial statements are the same as those applied in the preparation of preceding annual financial statements of the Company for the year ended June 30, 2019.

3.1 Standards, amendments to published standards and interpretations that are effective in the current period

Certain standards, amendments and interpretations to IFRSs are effective for accounting periods beginning on July 01, 2019 but are considered not to be relevant or to have any significant effect on the Company's operations (although they may affect the accounting for future transactions and events) and are, therefore, not detailed in these condensed financial statements, except for the following:

(a) Amendments to IAS 19, 'Employee benefits' on plan amendment, curtailment or settlement are effective for periods beginning on or after January 01, 2019. These amendments require an entity to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement; and recognise in statement of profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognised because of the impact of the asset ceiling. The amendments do not have any material impact on the Company's financial statements.

(b) IAS 23, 'Borrowing costs' is effective for accounting periods beginning on or after January 01, 2019. The amendment is part of the annual improvement 2015-2017 cycle. The amendment clarifies that the general borrowings pool used to calculate eligible borrowing costs exclude only borrowings that specifically finance qualifying assets that are still under development or construction. Borrowings that were intended to specifically finance qualifying assets that are now ready for their intended use or sale - or any non-qualifying assets - are included in that general pool. The amendments do not have any material impact on the Company's financial statements.

Janana De Malucho Textile Mills Limited

(C) IFRIC 23, 'Uncertainty over income tax treatments' is effective for accounting periods beginning on or after January 01, 2019. This IFRIC clarifies how the recognition and measurement requirements of IAS 12 'Income taxes', are applied where there is uncertainty over income tax treatments. The IFRIC explains how to recognise and measure deferred and current income tax assets and liabilities where there is uncertainty over a tax treatment. An uncertain tax treatment is any tax treatment applied by an entity where there is uncertainty over whether that treatment will be accepted by the tax authority. The IFRIC applies to all aspects of income tax accounting where there is an uncertainty regarding the treatment of an item, including taxable profit or loss, the tax bases of assets and liabilities, tax losses and credits and tax rates. The amendments do not have any material impact on the Company's financial statements.

4. These condensed interim financial statements are being submitted to the shareholders as required by section 237 of the Companies Act, 2017. These condensed interim financial statements do not include all the information and disclosures as required in the annual financial statements and should be read in conjunction with the Company's audited financial statements for the year ended June 30, 2019.

5. Accounting estimates, judgments and financial risk management

The preparation of condensed interim financial statements in conformity with approved accounting standards requires management to make estimates, assumptions and use judgments that affect the application of policies and reported amounts of assets and liabilities and income and expenses. Estimates, assumptions and judgments are continually evaluated and are based on historical experience and other factors, including reasonable expectations of future events. Revisions to accounting estimates are recognised prospectively commencing from the period of revision.

Judgments and estimates made by the management in the preparation of these condensed interim financial statements are the same as those that were applied to the audited financial statements as at and for the year ended June 30, 2019.

The Company's financial risk management objectives and policies are consistent with those disclosed in the financial statements as at and for the year ended June 30, 2019.

6. Operating fixed assets - tangible

		Un-audited Mar. 31, 2020 (Rupees in thousand)
Book value of operating fixed assets as at June 30, 2019		3,121,633
